12 October 2026

Dear Parent/Carer and Students,

Re: Essential Resources List

For your child to thrive on their sixth form courses, **it is essential they have specific resources**. These vary from subject to subject and are shown in the table overleaf. This has been broken down into **essential** and **additional recommended** resources for each course with an approximate price.

The essential resources are what they must have for their course, and the additional resources are desirable if affordable for families.

If your child is eligible for the 16 – 19 Bursary Fund, we will be able to support with the cost of these resources when requested by a student.

We appreciate that some of these resources are expensive, but please be assured that your child's teachers have thought carefully about which resources to list as essential.

Should you have any queries please contact Miss Sandilands. Thank you for your continued support.

Yours faithfully

Mr I Smith
Headteacher

The following are minimum <u>ESSENTIAL</u> resources you need for all subjects in the sixth form

- **Calculator (if you have chosen to study Biology, Chemistry, Physics, Maths, Further Maths, Mathematical Studies, Geography, Economics) -** Casio fx-991CW Advanced Scientific Calculator (UK Version) **- £24.74**
- **Essential equipment (green pen, black pen, pencils, ruler, highlighters)**
