

# EXTRA CURRICULAR *at* ETONE COLLEGE

# INTRODUCTION

We are proud to present our extra-curricular timetable that provides pupils with a wide range of opportunities to develop their talents whilst at Etone College. We have listened to pupil voice and there are clubs for all ages and interests ranging from sporting activities to arts and crafts and from tabletop games to Warhammer! We have also ensured that there are opportunities before school, at break and after school because we recognise that not all pupils can stay at the end of the school day. We would encourage parents/carers to discuss this provision with your child and encourage them to take up a new hobby and attend a club. There is no restriction and they can attend as many as they like across the week.

Our brochure gives details of all of the clubs, and the video shows how these were introduced in assemblies. There is information in the brochure about where the club is taking place, what it involves, the skills that pupils will develop and the members of staff leading each activity. Attendance at clubs will be recorded and pupils can gain both House Points, employability points and spot prizes for good attendance at extracurricular activities. At the end of the booklet, is an overall summary of the activities that are taking place each day at Etone College.

**Where:** Hall

**Staff:** Mrs Kaye-Shepheard/ Mrs Leftwich Lloyd

**All Welcome**

Excited to be part of the Etone Show 2027?

Stay tuned for updates as we travel to a land Far, Far, Away and meet your favourite swam ogre…Shrek.

Keep your Monday's post October free – Because we're all believers!
