Dear Parent Carer

Year of Inclusion Events

Our Diversity Champions for Inclusion have been busy helping us to update our 'Year of Inclusion' calendar to ensure that we continue to celebrate neurodiversity and inclusion throughout the school year. This can be viewed on our website here <https://www.etonecollege.co.uk/wp-content/uploads/2026/10/A-Year-of-Inclusion-26-to-27-1.pdf>

This is part of the essential work we do to promote inclusivity through awareness events and celebration. Our Diversity Champions have planned a range of ideas to help inform and educate their peers. These events will include assemblies, competitions, pop up stands and displays.

In this leadership role our Diversity Champions play a central part in helping their peers to celebrate our diverse school community, to promote acceptance and to be supportive in helping each other to feel understood and supported in school.

This year, one of the ways we would like to develop our celebration of inclusion is through welcoming external speakers with links to inclusion into school to either share experiences or to support our information and education event. We would welcome contact from any parents and carers who may have connections to relevant charities or businesses.

Thank you for your continued support.

Yours faithfully
